Re: Backpack Donation

September 12, 2018

Dear Claudia and Phil,

Please accept this letter as a thank you for your generous donation of 21 backpacks to First Nations School of Toronto. We very much appreciate the backpacks and the materials in them. This year our school has two kindergarten classes with the majority of our students traveling by bus. We have found that students without backpacks and ride the bus have lost notes and books. Your contribution of backpacks will help us improve communication and materials getting home to all parents and will positively impact our students' wellbeing and improve our programs. Thank you, for your thoughtfulness.

Cheryl MacDonald MACP
